

A brighter future

Mountainview High School Scholarship

90th Jubilee Scholarship Trust

In 1991 a group of former students organised a reunion to celebrate 90 years of education at Timaru College, Timaru Technical College and Mountainview High School. The 90th Jubilee was well attended and turned an unexpected profit. The organising committee, wanting to see this profit put to good use, so established a trust to provide scholarships for Mountainview High School students going on to tertiary study. The 90th Jubilee scholarship was awarded each year to a deserving individual who showed great potential while facing challenges in attending further study.

Ten years later, when the the 100 year celebrations took place, additional funds were raised to grow the value of scholarship. The scholarship continued to be awarded each year for over 25 years.

In 2019 the trustees were facing a perfect storm of diminishing interest rates, increasing compliance and trouble finding new trustees. It was then that they turned to the Aoraki Foundation for help.

"This scholarship will recognise a special student that has a bright future after leaving our school."

*- Kenny Diamond
Mountainview High School Principal*

About the Scholarship today

In June 2019 the 90th Jubilee Scholarship formally transferred their funds to the Aoraki Foundation to establish the Mountainview High School Scholarship Fund. This fund will uphold the legacy started by the 90th Jubilee committee and continue to award annual scholarships in perpetuity.

The first challenge is to build the capital of the fund up to \$50,000. This threshold allows the scholarship to be of significant value each year while also providing a solid base to ensure it will continue long into the future.

The Aoraki Foundation are actively seeking donations to grow this scholarship fund. If you care about the young people of Mountainview High School please help by donating today.

Aoraki Foundation

The Aoraki Foundation is South Canterbury's Community Foundation. Governed by a group of experienced volunteer trustees, we provide a trustworthy vehicle for you to contribute to the local causes that really matter to you.

We believe in a better South Canterbury for all, and see this being achieved through the power of giving.

What is a Community Foundation?

Community Foundations are local, independent, and not-for-profit. They run a well-proven model of giving which has been growing across the world for over 100 years, and they are now established in 17 regions in New Zealand.

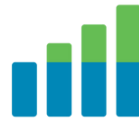

Community Foundations build long-term, reliable funding streams for their local communities by investing and growing the donations they receive. Our smarter giving model ensures your gift to the community is everlasting.

How our unique giving model works

- We raise funds from donations and gifts
- We invest these funds retaining the capital and generating income
- We grow the capital to protect against inflation
- We use the remaining income to provide grants or scholarships, in this case to a senior leaver at Mountainview High School

YOUR GIFT

IS INVESTED AND GROWN

AND THE ONGOING INCOME EARNED

GOES TO THE LOCAL CAUSES YOU LOVE.

"Having established this scholarship in 1992 we wanted to make sure the legacy of the 90th Jubilee carried on for another 90 years and the Aoraki Foundation was the way to ensure this happened."

- Zismore Lurajud, 90th Jubilee Scholarship Trust

How to support the Mountainview High School

Give Today

You can make a one-off donation that will continue to grow and make a difference in perpetuity.

Give Regularly

Set up a monthly contribution to the fund knowing that your gift will make a difference where it is needed most.

Give in your Will

It is simple to set up a gift in your will. This could be for a percentage of your estate or a specified sum.

All donations qualify for a tax rebate of 33%

Where can I donate?

The simplest way to donate is directly on the Aoraki Foundation website. There is a dedicated page for the Mountainview High School that can be reached from this QR code. Alternatively contact our team for more details.
